OFFICERS	USE HOLES S, U, V. ENSURE YOUR RANK INSIGNIA IS RESTING ON THE LINE LABELED "Center Line"
E-4 TO E-9	USE THE NOTCH LABELED "Collar Insignia" and the Center Line. PLACE THE CARD ON THE COLLAR AND SLIDE UP UNTIL THE ENDS OF CARD ARE JUST TOUCHING THE SIDES OF THE COLLAR. THEN, PLACE THE BOTTOM OF YOUR INSIGNIA RESTING ON THE SIDE OF THE NOTCH.

## For use with Collar Insignias

1. Locate the device and corresponding letters on the hole chart.
2. Ensure the Two corners of the Pin-iT Card are touching the Front edge of the collar and the Back edge of collar (FIG. A and B)
3. Ensure the Dotted line labeled "Center Line" is even with the tip of the Collar.
4. Place the Bottom of Enlisted collar Device in notch on Pin-iT Card Labeled "Collar Insignia"
5. Pin on the Insignia.

## For use with Collar Insignias

Officer Khaki Shirt

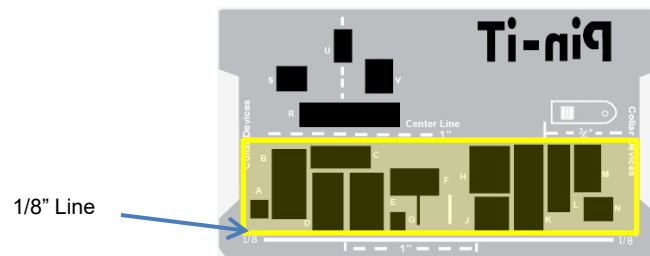

1. Locate the device and corresponding letters on the hole chart.
2. Place the Pin-iT Card on the shirt collar, ensuring that the bottom of the card is resting on the front edge of the collar. Additionally, ensure the bottom right corner of the Pin-iT Card meets the top of the collar.
3. Place the device into the corresponding holes labeled R,S,U,V, ensuring that the edge of device is resting on the line labeled "Center Line".
4. Ensure that the middle of the device is bisecting the dotted line.

## Officer Camouflage Collar

1. Place the Pin-iT Card on the camouflage shirt collar so that both sides of the Pin-iT Card are touching the sides of the collar.
3. Slide the Pin-iT Card up the collar until the edge of the collar is even with hole "V".
4. Place bottom of officer collar device in notch on Pin-iT Card ensuring that the middle of the device is centered with the dotted line.
5. Pin on your Device ensuring that the collar device is horizontal to the deck.

## For use with Breast Insignias, badges and Name Tags.

1. Locate the designated insignia and corresponding letters on the hole chart.
2. Place the insignia in the corresponding holes on the back of the Pin-iT Card.
  1. Ensure that the bottom of the insignia is resting on the 1/8" line.
  2. Pin on the insignia.
