## For use with Collar Insignias

1. Locate the device and corresponding letters on the hole chart.
2. Place the Pin-iT Card on the shirt collar, ensuring that the bottom of the card is resting on the leading edge of the collar. Additionally, ensure the bottom right corner of the Pin-iT Card meets the top of the collar. See FIG 1
3. Place the device into the slot labeled "Collar Insignias" on the front of the Pin-iT Card. See FIG 2
4. Refer to the hole chart for the correct placement of the device.
5. Make certain your device is centered between the top and bottom of the collar.

## For use with Garrison Cover

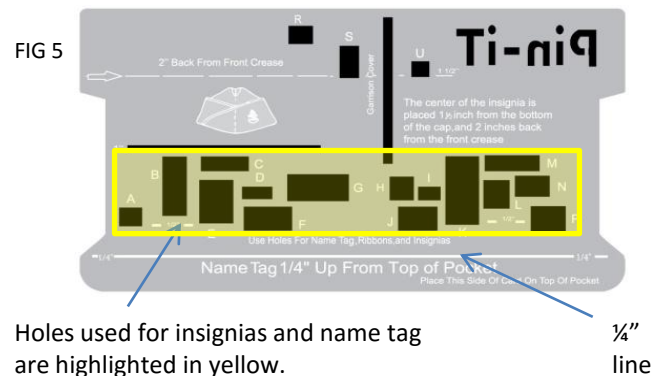

1. Locate the device and corresponding letters on the hole chart.
2. Place the Pin-iT Card on the Garrison Cover so that the left side of the card is even with the front crease of the cover. In addition, the bottom of the Pin-iT Card should be even with the bottom of the cover. See FIG 2
3. Place the device into corresponding holes on Pin-iT Card. See FIG 3
4. Ensure the middle of your device is perpendicular with the dotted line associated with the Garrison Cover Slot.
5. Pin on the device.

Officers will add their metal collar grade-rank insignia on the wearer's right. Just flip over the cover and Pin-iT card, and repeat the process.
